In Loving Memory of

FOREVER YOUNG

Jeremy D. Weston

Classmate Teammate Friend

I leave you with the "Parable of the Pencil Maker" which I thought was ironically appropriate for graduating students. *The Pencil Maker took the pencil aside just before putting it into the box and said, "There are five things you need to know before I send you out into the world. First, you are capable of many great things, but only if you allow yourself to be held in someone's hand. Second, you will experience a painful sharpening from time to time, but you'll need it to become a better pencil. Third, you have the ability to correct the mistakes that you make. Fourth, the most important part of you will always be what's on the inside. And finally, on every surface where you are used, regardless of its condition, you must leave your mark. Make it a mark you'd be proud of many years from now. Our sincerest best wishes for your continued success.*

To the Graduating

Class of 2014

Ms. Teresa Sullivan
Principal

Dear Class of 2014,

After months of hard work, the yearbook is finally finished! I would like to thank everyone who helped the yearbook committee along the way and also the yearbook committee itself. Thank you to our wonderful Advisor, Ms. Kinsman, who made sure we were terrified about finishing on time. But also thank you for filling me in on the secrets and allowing me not to worry as much, though I do not think it helped. Thank you for continuously calming me down and letting me interrupt your first, second, and especially your seventh period classes multiple times. Thank you Ms. Pflaumer who sent in pictures from freshman year and allowed us to fill the gaps and have more people be represented. You showed that you believed in us when you would come down to the library and see us working. Thank you to Ms. Crowley and Mr. Dorman for allowing us to stay in the library all the way up until 6:30 some nights. Without you two we would not have a place to get the majority of our work done. Also, thank you to Ms. Poirier for letting us work in room 101, as well as taking our class picture; and to Jaime Haughey for supervising us from time to time. Thank you to Ms. Z, Ms. Kelliher, and Ms. Potter for giving me numerous documents whenever necessary. And thank you to all the teachers at AHS who helped calm me down, because we all know it happened a lot, and for not yelling at me to get back to my work when I was freaking out and not necessarily paying attention in class, especially Ms. McHugh and Mr. Holzman.

Now I would like to thank the yearbook committee. Without you guys none of this would have been possible. Thank you Marianna Porcello, Michael Manley, and Rachel Clarke for all your hard work and always staying with me until I was comfortable with the amount of work that was done that day. Also for taking millions of pictures and allowing me to constantly break down and call people out. Thank you T.J. O'Donovan and Garrett Hall for doing the Parent Dedications and Business Ads. Thank you MD for not even officially being on yearbook, but doing work and being the DJ. Thank you Melissa Imrie for always coming after and helping whenever you could. To Leighann Healy and Nichole Kulikowski thank you for always asking what can be done and helping along the way after drama. Jeremy Sullivan, thank you for designing the cover and thank you Sean O'Brien for coming up with theme. Thank you to the multiple others who sent in pictures and asked if they could help. You guys are lifesavers. Finally, thank you to the people who were at the very first meeting and came up with ideas on what the yearbook should look like. That was very helpful.

As I wrap up, I would like to congratulate each and every one of you for graduating. I would not have wanted to spend these last four years with any other class. Good luck and may everything you wish for come true!

And I would lastly like to ask, where's Cam?

Boy's Soccer

"Congratulations to a group of young men who embodied teamwork. It was their hard work that led the AHS Boys Soccer Program to one of the most successful seasons in recent history"

- John McGinness

The boy's soccer team made the South Shore Sectional Semi-Finals, as far as any Abington High School boy's soccer team has ever made it in the MIAA State Tournament. The team was led by Senior captains Alexander Nagle, Ryan Mariano, Robert McClafferty, and Bryan Macaluso. Maxwell McNulty, Stephen Bunszell, and Kevin Zdonek contributed as well as senior members of the team.

Coach: John McGinness

Captains: Ryan Mariano, Alex Nagle, Robert McClafferty & Bryan Macaluso
Seniors: Ryan Mariano, Alex Nagle, Robert McClafferty, Bryan Macaluso, Steve Bunszell, Max McNulty & Kevin Zdonek

Girl's Soccer

Seniors Marianna Porcello, Samme Thompson, and Abby Magnussen, were an integral part of the teams' successes in previous years. Competition in the South Shore League was as strong as ever and the team made every attempt to return to the MIAA State Tournament. The team ended their season 5-13, 5-11 in the league, and never once gave up on their opportunity of a post season berth. The team had a strong bond on and off the field that will live on long after the seniors graduate.

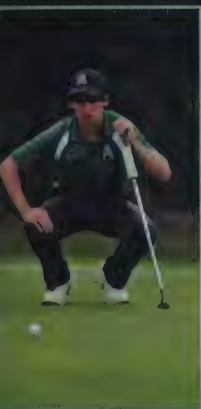

Coach: Kate Casey

Captain: Marianna Porcello
Seniors: Marianna Porcello, Abby Magnussen, & Samme Thompson

Golf

"The golf team came so close to making it to the state tournament this year, but fell just one match short. The team was led by a strong senior front three. Captains Joe Marella and Rachel Clarke, as well as Junior Etienne Bourgoïn formed one of the best front three in the league. The new and less experienced players gave everything they had and their experience will add to next year's team" - Coach Tim Hill

The Abington High School golf team had a successful season after losing many vital senior players last year. Senior captains Rachel Clarke and Joesph Marella led the team this year to a record within two games of getting an MIAA State Tournament bid. Seniors Christopher Hamel, Lindsay Ryan, and Michael Donaher contributed to the team's success as well.

Coach: Tim Hill

Captains: Rachel Clarke & Joe Marella
Seniors: Rachel Clarke, Joe Marella, Mike Donaher, Chris Hamel, & Lindsay Ryan

Seniors: Vinny Picardi, Alex Nagle, & Ryan Mariano

Hockey

"The 2013-2014 Abington High School hockey team was by far the hardest working hockey team that I have ever coached. Led by Senior captains Jake Quinlan, Joe Marella, and Junior Matt Curran, this team's work ethic was second to none. It is my hope that the 2014 graduates can look back on their senior year and remember a deep playoff run when it wasn't supposed to happen, remember the good times and laughs in the locker room and on the bus, remember looking in the eyes of the player next to you and knowing he is giving you the best he can possibly give. Most of all remember that you were part of something bigger than yourself, that you gave everything you had for your high school and the great town of Abington. You were true warriors and best of luck to Jake, Joe, Sean, and Cookie!" - Coach Brian Smith

Coach: Brian Smith

Captains: Joe Marella, Jake Quinlan, & Matt Curran
Seniors: Joe Marella, Jake Quinlan, Sean Linehan, & Chris Cook

Wrestling

This year Abington joined Rockland as part of a co-operative wrestling program. The Abington students embraced the sport and made significant contributions throughout the year. The senior's willingness to take a risk and bring the sport of wrestling to Abington will leave a lasting impression on the future of Abington High School Athletics. The foundation for the future of wrestling was built by the class of 2014's willingness to take a risk and embrace the new sport.

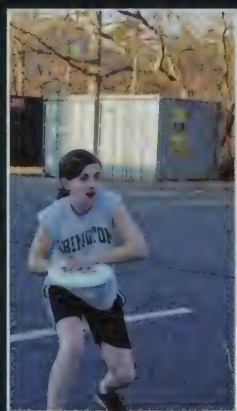

Coach: Tim Brown

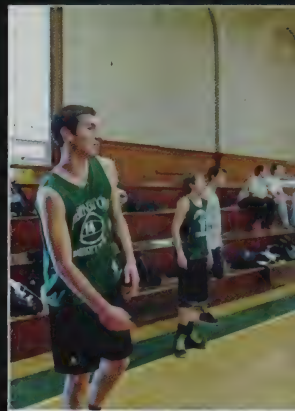

Seniors: Aric Brack & Mitch Vongbandith

Thank You

Ms. Pflaumer

The class of 2014 would like to thank you for all that you have done for us these past four years. You have been there for us since the very beginning, from being our Class Advisor and also being an English teacher to all of us at one point or another. From the countless hours you put in after school helping us with fundraising and your great organizational skills that ensured us that everything would be done on time, we cannot be more appreciative. Throughout the years you watched us grow and always supported us along the way. Though many of us had not been in your class since Freshman year, you still approach us and talk to us as if we are in your class every day. Then as Senior year came many of us had you as a teacher once again. We can all admit to being terrified Freshman year because of what we had heard from either upperclassmen or older siblings. We were told that there was a lot of work to be done, but also told that in the end it would all be worth it and that you were the most dedicated teacher here at AHS. As the year is coming to an end, it is fair to say that we are now the ones telling the Freshman what we were once told. It is true Ms. Pflaumer, all of the work that we did Freshman year and all of the advice given has all paid off. It made us into the students we are today and we can not thank you enough for that.

Boosters, and all of the Abington
teachers for all of their hard work
over the years. Your support and love
has made us into the individuals that
we are today and we would not have
been able to succeed without your
help.

After over 30 years of
service to this town,
Officer Barry Geraghty
is retiring as an
Abington Police Officer.
Throughout the years he
has kept this town aware
and the kids safe. He
started by teaching us
young in the D.A.R.E.
program and by
continuously serving our
community.

We would also like to
thank the Police
Department as a whole
for always keeping us
safe at our school
events.
